| 6      | 10 minutes | 12 minutes | 10 minutes natural |

## INGREDIENTS

1 package (about 2.3 lb) **USE ENTIRE PACKAGE**  
boneless, skinless chicken thighs

1 bag (8 oz) **USE ENTIRE PACKAGE**  
celery sticks, sliced

1 bag (16 oz) **USE ENTIRE PACKAGE**  
fresh-cut peppers and onions

2 cans (15.5 oz each)  
cannellini beans, drained and rinsed

1 can (14.5 oz)  
no-salt-added diced tomatoes

4 cups  
low-sodium chicken broth

8 oz  
chopped kale

1 tbsp  
jarred minced garlic

2 tsp  
Italian seasoning

1/4 tsp  
crushed red pepper (optional)

1/2 tsp  
salt

1/2 tsp  
black pepper

2  
lemons, zested and juiced

3 oz  
shredded Parmesan (optional)

## METHOD

- 1 Pour chicken broth (4 cups) into the pot. Add chicken thighs (1 package (about 2.3 lb) - use entire package), sliced celery (1 bag (8 oz) - use entire package), peppers and onions (1 bag (16 oz) - use entire package), drained cannellini beans (2 cans (15.5 oz each)), minced garlic (1 tbsp), Italian seasoning (2 tsp), crushed red pepper (1/4 tsp), salt (1/2 tsp), black pepper (1/2 tsp). Layer diced tomatoes (1 can (14.5 oz)) on top; do not stir.
- 2 Lock the lid and cook on HIGH pressure for 12 minutes. Let pressure release naturally for 10 minutes, then vent the rest. Confirm the chicken (1 package (about 2.3 lb)) reaches 165 F.
- 3 Transfer the chicken (1 package (about 2.3 lb)) to a plate, shred with two forks, and return it to the pot.
- 4 Stir in chopped kale (8 oz). Use SAUTE for 2-3 minutes, stirring, until tender. Turn off the pot.
- 5 Stir in the zest and juice from lemons (2). Taste and adjust salt (1/2 tsp) and black pepper (1/2 tsp). Serve with Parmesan (3 oz) if desired.

### GOOD TO KNOW

The pot may take 15-20 minutes to come to pressure. Refrigerate leftovers promptly for up to 4 days.
